## OVERVIEW

### YOUR SANCTUARY

The 102 is an impressive, beautifully designed and lovingly built high-performance superyacht that envelops you in a feeling of well-being whilst keeping you in touch with your surroundings.

The striking features and interflowing lines that add a third dimension to the hull give the 102's a truly unique and dynamic style. The sharp outline of the yacht creates a feeling of speed whilst large glass surfaces result in an uninterrupted relationship with the sea from all areas aboard.

As agile as she is fast and despite her imposing size, the 102 is a joy to navigate in any sea conditions, providing comfortable cruising for all aboard. With a maximum speed approaching 30 knots, the 102 was designed to go places efficiently, at speed and in style.

Inside, a bright, beautifully appointed interior boasts a wealth of space with a lavish lounge and dining area, designed for effortless entertaining and socialising in unprecedented comfort with the finest appointments.

On the same level is the extremely spacious owner's suite featuring a luxurious bathroom with walk in shower and twin basins.

The forward facing bed enjoys near panoramic views thanks to the unique curved glazing. Steps lead down to a very generous walk in wardrobe space which compliments the overall feel of space and luxury.

Comprising of two doubles and two twin's, the four guest cabins are as equally well appointed on the lower deck, all extremely spacious and all en-suite, bathed in natural light from the innovative and striking large windows.

The expansive flybridge is appointed for relaxation and entertaining leaving nothing to want with sofas, cocktail tables, a full bar and plenty of space for sun loungers. The aft area of the flybridge houses a tender/jetski storage area complete with crane allowing for easy launching of your toys whenever the mood takes you.

Thanks to Numarine's philosophy of custom design, configurations can be altered to suit specific owner requirements from flybridge layout's and endless interior finishes to the addition of a family room come cinema, the 102 offers a wealth of space, ready to be tailored to an individual's own taste.
